ALL-COUNTY INFORMATION NOTICE I-84-82

TO:

SUBJECT: PERFORMANCE STANDARDS PROJECT

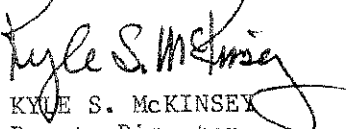

REFERENCE:

I want to thank you for your thoughtful and thought-provoking comments on the "Performance Standards Project - Phase One" draft which was sent to each County Welfare Director on May 14, 1982.

In responding to the draft, many of you have shared the ways in which your county has dealt with the complexities of AFDC-FC Program administration. I am hopeful that the Performance Standards Project can encompass these good management practices, and provide a broader base of information to assist all of us in our efforts to improve AFDC-FC Program practice and results in this era of diminishing resources.

Toward this end, the CWDA Ad Hoc Committee on PL 96-272 implementation has formed a working group which will meet with DSS staff to refine the Performance Standards project design. Chaired by Mr. William Jackson, Chief Deputy, San Mateo County, this group consists of CWDA members representing fiscal, social services, and income maintenance perspectives.

Again, thank you for the interest you have shown in this project and for your and your staff's time. Please contact Leslie Frye at (916) 323-1263 or 744 P Street, Mail Station 7-172, Sacramento, California 95814, should you desire further information about this important effort.
